

## Drawing and Painting, Oh My!

Have your students tried to draw or paint with online programs? Some of our favorites include the following:

### Picassohead

<http://www.picassohead.com/>

Create a "Picasso-like" drawing and send it to someone via email or share it on the Picassohead Gallery. Students may become so inspired that they investigate real Picasso works of art!

Other fun sketching, drawing, and painting programs include:

### Sketchpad

<https://sketch.io/sketchpad/>

### Artpad

### Canvastic.net

<http://canvastic.net/net.html>

### Sketch Swap

<http://www.sketchswap.com/>

Draw a sketch, submit it, and receive a sketch done by someone else.

### Queekey

<http://www.queekey.com/>

Watch a video of a digital artwork as it is drawn from top to bottom. Get inspired from the artwork that has already been submitted, and start to draw and share your skills with the community.
