flashcard
exchange

Do you need a set of flashcards to practice mathematics, vocabulary, languages or other subjects or topics?

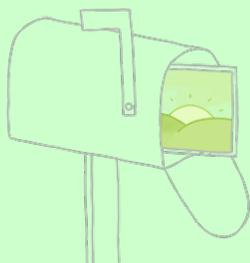

[FlashcardExchange.com](http://www.flashcardexchange.com), has a web-based flashcard maker to create, share, export and print flashcards for your studying convenience. You can also find apps (free and paid) that synch with FlashcardExchange and work with iPhone, iPad, Android, Windows, and Blackberry devices.

infotopia.info

Note that we are adding new web sites from Australia, New Zealand, Canada and the United Kingdom to our resource pages as well as our search engines. It is our goal that our search engines/web resources include quality worldwide resources that are recommended by librarians and teachers. If you know of any excellent resources that we need to add, let us know by sending us an email at bell@infotopia.info.

Welcome!

Welcome to the students, teachers, and librarians of **Winnipeg, Manitoba!** We're happy you are using Infotopia.info for your research needs!
