COUNTRIES OF THE WORLD

CIA World
Factbook

<https://www.cia.gov/the-worldfactbook/countries/>

With the World Factbook, students can select a country, explore photos, maps, and documents, and learn about the geography, people, the environment, the government, and more. It may be a bit advanced for early elementary students, but there is worthwhile information to choose from.

Owl & Mouse

Kidtopia's resources on countries of the world also include games, web sites, and videos appropriate for elementary students. Which is your favorite?

Welcome!

Welcome to the students and teachers from **Schaumburg, Illinois!** We are happy you are using Infotopia.info, VirtualLRC.com, Infotrek.info, and Kidtopia.info for your research needs!

PRIMARY SOURCES

Explore **Infotopia's** updated resources on the JFK assassination, including news articles, police recordings, videos, and more. Resources also include documents from the national archives, video from national and local television stations, and many public records of this sad November event in American history.

The Virtual Learning Resource Center (VLRC) offers a page of links to prominent **fact** checkers such as the Annenberg Public Policy Center (**FactCheck.org**), PolitiFact, ProPublica, Snopes, and more. **A great learning exercise would be to have your students find a recent cable or print news story and then fact-check it on these resources!**

We need help! Help us to figure out new topics to include on **Infotopia** or **Kidtopia**. We will find resources for your recommended topics and include them on our Hot Topics page.

infotopia

infotrek

Infotrek is a gold mine of suggested topics (and results) for the following subjects:

The Sciences
Technology
Mathematics
Biographies
The Arts
Literature (worldwide)
Social Studies
History
Health, Nutrition, and Disease
Quotations
Images, Audio, and Video Resources
Languages

You may have noticed that.....

Infotrek no longer inserts the suggested topics into the search box. (Google no longer allows this to be automatic.) You, as the user, can simply type the topic into the search box, or copy and paste it into the search box. **You'll get the same amazing custom results that Infotrek is famous for.**

Don't forget that Infotrek is designed for upper level high school and college students.
