English Language Arts Teachers

https://infotopia.info/english_lit.html

Infotopia has resources for all of the following, all on the same web page:

- Literature in English (American and British Literature)
- English/Language Arts
- Grammar
- Poetry
- Folktales and Fairy Tales

For literature in languages other than English, check out our web site:

https://infotopia.info/non_english_lit.html

One of the best sites for all literature in languages other than English is Voice of the Shuttle from the University of California Santa Barbara. Just scroll down and you'll find African, Arabic, Chinese, Dutch, Eastern European, French, German, Greek, Guatemalan, Italian, Japanese, Korean, Persian, Portuguese, Russian, Scandinavian, Spanish, and more.

As we continually work to update our resources, we have noticed that a lot of web sites are now defunct or have lost their grant funding. In addition, many websites no longer offer free access and are only available via paid subscriptions. Infotopia, Kidtopia, Infotrek and VLRC are all free, created and managed by Carole and Mike Bell. Consider donating a few dollars to the upkeep of these resources.
